Dear Professor Kimura,

I am delighted to see that Antalya has been chosen as the host city for the 19th CIGR World Congress in 2018. I strongly believe that the infrastructure, technical and financial support of the City will ensure the success of the event. It is also my sincere hope that the Congress will be a successful one and that it will contribute to the development of the city.

Yours faithfully,  
Prof. Dr. Mustafa A.  
The Mayor of Antalya

Dear Professor Kimura,

On behalf of the Government of the Republic of Turkey, I am pleased to support Antalya city's bid to host the 19th CIGR World Congress in 2018. I am delighted that you are considering Turkey to host this important conference and I am certain that every effort will be made to ensure that delegates have an extremely successful and enjoyable event in Antalya. Not only Antalya City, but all of Turkey would welcome the members of your organization and I trust that you will reach a decision in favor of our country.

I join with the City of Antalya in inviting you to Turkey in 2018.

With best wishes,

Recep Tayyip Erdoğan  
Prime Minister

Dear Prof. Dr. Kimura,

As Turkish Chamber of Agricultural Engineers, we would be pleased to host the 19th CIGR World Congress in Turkey. After our committee evaluation, Ege University and Akdeniz University have been chosen as the host institutions for the congress due to their regional experience, strong infrastructure services and capabilities to ensure the success of the event. Both Universities' Agricultural Machinery Departments have organized numerous successful national and international symposiums and participated in many international collaborations and projects. With their involvement, we are confident that the Congress will provide the most productive and attractive environment for the participants.

We are looking forward to your support and decision to honor Turkey as the host of the 19th CIGR World Congress.

Best regards,

Prof. Dr. İbrahim AKINCI  
Chairman of the Board  
Chamber of Agricultural Engineers
